GSA-2015-000931 has been processed with the following final disposition: Records not reasonably described.

GSA-2015-000931 - Request for Clarification - Data Pull	(b) (6)	(b) (6)	07/02/2015	
---	---------	---------	------------	---

(b) (6)

This is in reference to your GSA Freedom of Information Act Request: GSA-2015-000931, in which you requested Any direct correspondence, including electronic correspondence between your agency and US Representative Jefferson "Jeff" Miller (R-FL) or the staff of the US Representative Jefferson "Jeff" Miller between January 2001-Present. Any direct correspondence, including electronic correspondence between your Jefferson "Jeff" Miller prior to January 2001..

After careful review of your request, we have determined that your request is too broad in scope and does not specifically identify the records which you are seeking. The parameter of your request is broad to the point that any search conducted using them may result in thousands, if not tens-of thousands of potentially responsive documents.

The Freedom of Information Act (FOIA) provides authority to Federal Agencies to release documents that are specifically identified by the requester. It does not require an Agency to do an all-encompassing search of all records in order to respond to requests, create new records, answer questions posed by requesters, or attempt to interpret a request that does not identify records.

The Office managing your FOIA needs additional information in order to proceed with your FOIA. Please describe the record you are seeking with as much information as possible to ensure that our search can locate them with a reasonable amount of effort. Whenever possible, a request should include specific information about each records sought, such as the date, title or name, author, recipients, and subject matter of the records, if you know, or the GSA component or office you believe created and/or controls the record.

The below Template should assist you for submitting a Data Pull; please be as specific and as narrow as possible, keeping in mind that GSA is a centralized federal government agency:

1. Keywords: This would be the name of the Individual/Title / Subject we are Searching-  
i.e. First Name, Last name, Title, Subject
2. GSA component or office you believe created and/or controls the record.  
i.e. Office of Congressional and Intergovernmental Affairs (OCIA).
3. Timeframe: Insert specific Date Range (from & to)
4. Mailboxes: Insert specific mailbox addresses (include "@" symbol). These are the Mailboxes that the Information will be searched & retrieved.  
i.e First Name.Last Name@Company/Govt Email Address

Please resubmit your request containing a reasonable description of the records you are seeking. Upon receipt of a perfected request, you will be advised as to the status of your request.

If we do not receive an amended request from you within 15 business days from the date of this letter (**Friday, July 24, 2015**), we will assume you are no longer interested in the FOIA request and will consider your request withdrawn. Please be advised that this action is not a denial of your request and will not preclude you from filing other request in the future.

Please be advised, our Office is available to discuss this FOIA request with you in more detail. Should you need to contact our office again about this matter, please reach us at our Toll Free number (855)-675-3642 and reference FOIA Request number GSA-2015-000931 you respond .

Thank you in advance for your assistance.

This is in reference to your GSA Freedom of Information Act Request: GSA-2015-001220, in which you requested the following information:

"Pursuant to the Federal Freedom of Information Act, 5 U.S.C. § 552, and all other applicable state and federal statutes, I request from your department I agency (and all divisions and agencies under your jurisdiction), all publicly available documents including, but not limited to: • Any and all records of communication (including but not limited to letters, written requests, reports, telephone records, electronic communication, complaints, investigations, violation and memos) between your department (and all divisions and agencies under your jurisdiction) and the following individual: Cara Carleton "Carly" Florina, or her offices for the following dates: -1995-1999, when Fiorina was President of Lucent Technologies -1999-2005, when Florina was Chief Executive Officer of Hewlett-Packard -2004, when Florina was a Member of the U.S. Space Commission -2007-2009, when Fiorina was Chairman of the CIA's External Advisory Board -2008, when Fiorina was a Member of the Defense Business Board --2008-2015, when Fiorina was Founder of the One Woman Initiative and CEO of Carly Fiorina Enterprises -2012-Present, when Fiorina was Chair of Good360 -2013-2015, when Florina was Global Ambassador of Opportunity International • Any and all freedom of information requests filed with your department I agency (and all divisions and agencies under your jurisdiction) mentioning the aforementioned Cara Carleton "Carly" Fiorina."

After careful review of your request, we have determined that your request is too broad in scope and does not specifically identify the records which you are seeking. The parameter of your request is broad to the point that any search conducted using them may result in thousands, if not tens-of thousands of potentially responsive documents.

The Freedom of Information Act (FOIA) provides authority to Federal Agencies to release documents that are specifically identified by the requester. It does not require an Agency to do an all-encompassing search of all records in order to respond to requests, create new records, answer questions posed by requesters, or attempt to interpret a request that does not identify records.

The Office managing your FOIA needs additional information in order to proceed with your FOIA. Please describe the record you are seeking with as much information as possible to ensure that our search can locate them with a reasonable amount of effort. Whenever possible, a request should include specific information about each records sought, such as the date, title or name, author, recipients, and subject matter of the records, if you know, or the GSA component or office you believe created and/or controls the record.

The below Template should assist you for submitting a Data Pull which is needed to process your FOIA; please be as specific and as narrow as possible, keeping in mind that GSA is a centralized federal government agency:

- 1. Keywords:** This would be the name of the Individual/Title / Subject we are Searching-  
i.e. First Name, Last name, Title, Subject
- 2. GSA component or office you believe created and/or controls the record.**  
i.e. Office of Congressional and Intergovernmental Affairs (OCIA).
- 3. Timeframe:** Insert specific Date Range (from & to)
- 4. Mailboxes:** Insert specific mailbox addresses (include "@" symbol). These are the Mailboxes that the Information will be searched & retrieved.  
i.e. First Name.Last Name@Company/Govt Email Address

Please resubmit your request containing a reasonable description of the records you are seeking. Upon receipt of a perfected request, you will be advised as to the status of your request.

If we do not receive an amended request from you within 15 business days from the date of this letter (October 16, 2015), we will assume you are no longer interested in the FOIA request and will consider your request withdrawn. Please be advised that this action is not a denial of your request and will not preclude you from filing other request in the future.

Please be advised, our Office is available to discuss this FOIA request with you in more detail. Should you need to contact our office again about this matter, please reach us at our Toll Free number (855)-675-3642 and reference FOIA Request number **GSA-2015-001220** you respond .

Thank you in advance for your assistance.

Respectfully,

(b) (6)

Thank you for providing us the data pull information regarding your GSA Freedom of Information Act Request: GSA-2016-000051, in which you requested All emails sent to or by Robert Smudde, agency records officer, that refer to Hillary Clinton's use of a private email server. The time period of this request is March 2, 2015, to March 4, 2015.

We will proceed to submit your data pull for further processing; however, please be advised that on average, email data pulls require 90 business days to retrieve and review the data and to prepare the Responsive Documents for final approvals before releasing this information to you.

With that said, we would like to negotiate a new due date of January 15, 2015.

Additionally, since email data pulls will oftentimes retrieve hundreds, if not thousands of pages, there could be a FOIA Fees charged for the search and review the information retrieved from your email data pull request. We will have more information for you once the data pull as been conducted.

Please respond and advise whether this extension is acceptable, and kindly reference your FOIA number GSA-2016-000051.

We appreciate your continued patience during the processing of your FOIA Request. If you have any questions or concerns, please contact this office by email at [gsa.foia@gsa.gov](mailto:gsa.foia@gsa.gov).

I hope this information has been of assistance to you.

Respectfully,

GSA-2016-000202 - Request for Clarification - Data Pull	(b) (6)	(b) (6)	12/04/2015	
---	---------	---------	------------	--

Good Afternoon (b) (6)

This is in reference to your GSA Freedom of Information Act Request: GSA-2016-000202 , in which you requested Any and all records of communication (including but limited to letters, written requests, reports, telephone records, electronic communication, complaints, investigations, violation and memos between your department (and all divisions and agencies under your jurisdiction) and the following individual: John Kasich. See Attachment..

After careful review of your request, we have determined that your request is too broad in scope and does not specifically identify the records which you are seeking. The parameter of your request is broad to the point that any search conducted using them may result in thousands, if not several thousands of potentially responsive documents.

The Freedom of Information Act (FOIA) provides authority to Federal Agencies to release documents that are specifically identified by the requester. It does not require an Agency to do an all-encompassing search of all records in order to respond to requests, create new records, answer questions posed by requesters, or attempt to interpret a request that does not identify records.

The Office managing your FOIA needs additional information in order to proceed with your FOIA. Please describe the record you are seeking with as much information as possible to ensure that our search can locate them with a reasonable amount of effort. Whenever possible, a request should include specific information about each records sought, such as the date, title or name, author, recipients, and subject matter of the records, if you know, or the GSA component or office you believe created and/or controls the record.

The below Template is required for submitting a Data Pull for your FOIA Request; please be as specific and as narrow as possible, keeping in mind that GSA is a centralized federal government agency:

1. Keywords: This would be the name of the Individual/Title / Subject we are Searching-  
i.e. First Name, Last name, Title, Subject
2. GSA component or office you believe created and/or controls the record.  
i.e. Office of Congressional and Intergovernmental Affairs (OCIA).
3. Timeframe: Insert specific Date Range (from & to)
4. Mailboxes: Insert specific mailbox addresses (include "@" symbol). These are the Mailboxes that the Information will be searched & retrieved.  
i.e First Name.Last Name@Company/Govt Email Address

Please resubmit your request containing a reasonable description of the records you are seeking. Upon receipt of a perfected request, you will be advised as to the status of your request.

If we do not receive an amended request from you within 15 business days from the date of this letter (December 28, 2015), we will assume you are no longer interested in the FOIA request and will consider your request withdrawn. Please be advised that this action is not a denial of your request and will not preclude you from filing other request in the future.

Please be advised, our Office is available to discuss this FOIA request with you in more detail. Should you need to contact our office again about this matter, please reach us at our Toll Free number (855)-675-3642 and reference FOIA Request number GSA-2016-000202 you respond .

Thank you in advance for your assistance.

GSA-2016-000286 - Request for Clarification - Data Pull

(b) (6)

(b) (6)

12/23/2015

(b) (6)

This is in reference to your GSA Freedom of Information Act Request: GSA-2016-000286 , in which you requested Any and all records of communication (including but not limited to letters, written requests, reports, telephone records, electronic communication, complaints, investigations, violation and memos) between your department (and all divisions and agencies under your jurisdiction) and the following individual: John Kasich -2011-Present, when Kasich was Governor of Ohio -2001-2010, when Kasich was a member of the private sector.

After careful review of your request, we have determined that your request is too broad in scope and does not specifically identify the records which you are seeking. The parameter of your request is broad to the point that any search conducted using them may result in thousands, if not several thousands of potentially responsive documents.

The Freedom of Information Act (FOIA) provides authority to Federal Agencies to release documents that are specifically identified by the requester. It does not require an Agency to do an all-encompassing search of all records in order to respond to requests, create new records, answer questions posed by requesters, or attempt to interpret a request that does not identify records.

The Office managing your FOIA needs additional information in order to proceed with your FOIA. Please describe the record you are seeking with as much information as possible to ensure that our search can locate them with a reasonable amount of effort. Whenever possible, a request should include specific information about each records sought, such as the date, title or name, author, recipients, and subject matter of the records, if you know, or the GSA component or office you believe created and/or controls the record.

The below Template should assist you for submitting a Data Pull for your FOIA Request; please be as specific and as narrow as possible, keeping in mind that GSA is a centralized federal government agency:

1. Keywords: This would be the name of the Individual/Title / Subject we are Searching-  
i.e. First Name, Last name, Title, Subject
2. GSA component or office you believe created and/or controls the record.  
i.e. Office of Congressional and Intergovernmental Affairs (OCIA).
3. Timeframe: Insert specific Date Range (from & to)
4. Mailboxes: Insert specific mailbox addresses (include "@" symbol). These are the Mailboxes that the Information will be searched & retrieved.  
i.e First Name.Last Name@Company/Govt Email Address

Please submit your clarification containing a reasonable description of the records you are seeking. Upon receipt of a perfected request, you will be advised as to the status of your request.

If we do not receive an amended request from you within 15 business days from the date of this letter or January 15, 2016, we will assume you are no longer interested in the FOIA request and will consider your request withdrawn. Please be advised that this action is not a denial of your request and will not preclude you from filing other request in the future.

Please be advised, our Office is available to discuss this FOIA request with you in more detail. Should you need to contact our office again about this matter, please reach us at our Toll Free number (855)-675-3642 and reference FOIA Request number GSA-2016-000286 you respond .

Thank you in advance for your assistance.

(b) (6) Since this request is asking for "all correspondence" between GSA and the Republican Presidential candidates, I believe this request belongs to the Office of Congressional Affairs. If this request does not belong to you, please reassign it to the appropriate FOIAA Coordinator. Thanks.

I am requesting copies of the following records: Correspondence With Various Trump-Businesses And Their Representatives: I am requesting copies of all incoming-and-outgoing correspondence the members of the General Services Administration (including the Office of the Commissioner and the Office of Congressional & Intergovernmental Affairs) and the Trump-businesses (and its known legal/lobbying representatives) listed below from 1999 to the present: • Greenberg Traurig, LLP (and its employees and representatives) □ Ronald L. After careful review of your request, we have determined that your request is too broad in scope and does not specifically identify the records which you are seeking. The parameter of your request is broad to the point that any search conducted using them may result in thousands, if not several thousands of potentially responsive documents.

The Freedom of Information Act (FOIA) provides authority to Federal Agencies to release documents that are specifically identified by the requester. It does not require an Agency to do an all-encompassing search of all records in order to respond to requests, create new records, answer questions posed by requesters, or attempt to interpret a request that does not identify records.

The Office managing your FOIA needs additional information in order to proceed with your FOIA. Please describe the record you are seeking with as much information as possible to ensure that our search can locate them with a reasonable amount of effort. Whenever possible, a request should include specific information about each records sought, such as the date, title or name, author, recipients, and subject matter of the records, if you know, or the GSA component or office you believe created and/or controls the record.

The below Template should assist you for submitting a Data Pull for your FOIA Request; please be as specific and as narrow as possible, keeping in mind that GSA is a centralized federal government agency:

- 1. Keywords:** This would be the name of the Individual/Title / Subject we are Searching-  
i.e. First Name, Last name, Title, Subject
- 2. Internal GSA Mailboxes:**  
i.e. Office of Congressional and Intergovernmental Affairs (OCIA) and Office of the Commissioner.
- 3. Timeframe:** January 1, 1999 to January 13, 2016
- 4. External Mailboxes:** Insert specific mailbox addresses (include "@" symbol). These are the Mailboxes that the Information will be searched & retrieved.

**i.e First Name.Last Name@Company/Govt Email Address**

Specifically, we are requesting Keywords and all email addresses for the external various Trump-Businesses you mentioned above.

Please resubmit your request containing a reasonable description of the records you are seeking. Upon receipt of a perfected request, you will be advised as to the status of your request.

If we do not receive an amended request from you within 15 business days from the date of this letter (**January 28, 2016**), we will assume you are no longer interested in the FOIA request and will consider your request withdrawn. Please be advised that this action is not a denial of your request and will not preclude you from filing other request in the future.

Please be advised, our Office is available to discuss this FOIA request with you in more detail. Should you need to contact our office again about this matter, please reach us at our Toll Free number (855)-675-3642 and reference FOIA Request number GSA-2016-000346 you respond .

Thank you in advance for your assistance.

--	---------	---------	------------	--	--

Dear (b) (6)

This is an update to your Freedom of Information Act request of 01/08/2016 (GSA-2016-000357), in which you requested "Records pertaining to or on behalf of the Designated Agency Ethics Official, Kris Durmer, or the Assistant Designated Agency Ethics Official, Eugenia Ellison that include any of the following terms: Hillary Clinton etc. The timeframe of this request is from March 2, 2015 to March 9, 2015."

In order to properly respond to your request, it is necessary for us to take a 10 working day extension under 41 CFR 105-60.404(a)(1), the need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request. You should expect a final reply on or before March 1, 2016.

We apologize for this delay and any inconvenience it may cause you.

Respectfully,

GSA-2016-000357 - Negotiating 90-Day Extension	(b) (6)	(b) (6)	02/11/2016		
--	---------	---------	------------	--	--

Dear (b) (6)

Thank you for providing us the data pull information regarding your GSA Freedom of Information Act Request: GSA-2016-000357, in which you requested:

"Records pertaining to or on behalf of the Designated Agency Ethics Official, Kris Durner, or the Assistant Designated Agency Ethics Official, Eugenia Ellison that include any of the following terms: Hillary Clinton etc. The timeframe of this request is from March 2, 2015 to March 9, 2015."

We will proceed to submit your data pull for further processing; however, please be advised that on average, email data pulls require 90 business days to retrieve and review the data and to prepare the Responsive Documents for final approvals before releasing this information to you.

With that said, we would like to negotiate a new due date of May 17, 2016.

Additionally, since email data pulls will oftentimes retrieve hundreds, if not thousands of pages, there will be a FOIA Fees to search and review the information retrieved from your email data pull request. We will have more information for you once the data pull as been conducted.

Please respond and advise whether this negotiate date is acceptable, and kindly reference your FOIA number GSA-2015-000357.

We appreciate your continued patience during the processing of your FOIA Request. If you have any questions or concerns, please contact this office at our Toll Free Number 1-855-675-FOIA or by email at [gsa.foia@gsa.gov](mailto:gsa.foia@gsa.gov).

I hope this information has been of assistance to you.

Respectfully,
